CENTER FOR ADULT HEALTHCARE, S.C.
Your Patient-Centered Medical Home

We are pleased to announce that in 2014, Center for Adult Healthcare achieved a Level 3 Patient Centered Medical Home Recognition with the National Committee for Quality Assurance (NCQA), a most prestigious award.

DR MANDEEP KOHLI

DR SUNIL MATIWALA

A partnership between our patients, our primary care doctors and the health care team that will work to coordinate the services you need to provide the best health care possible.

(630) 893-0347

YOUR ROLE.....

.....

As a Patient in a Medical Home...

- ⇒ *Be an Active participant with our office. Call and Ask questions to discuss with your doctor, nurse and office staff.*
- ⇒ *Provide us with a list of all medications, including herbal supplements, vitamin and treatments you buy in the store or receive from others so we can help prevent interactions.*
- ⇒ *Call our office before you go to the Emergency room or let us know as soon as possible that you have been to the emergency room or urgent care*
- ⇒ *Provide our office with previous medical records for health care services you have received elsewhere.*
- ⇒ *Be informed and involved in your health care decisions.*

WORKING TOGETHER FOR A HEALTHY YOU!

.....

Services Offered:

- ⇒ *Healthy lifestyle management including cholesterol disorders, high blood pressure, smoking cessation, heart disease prevention and weight management.*
- ⇒ *Adult Physical and wellness exams including sports physicals and Immunizations.*
- ⇒ *Work Physicals*
- ⇒ *Chronic Disease Management*
- ⇒ *Same Day Appointments*
- ⇒ *24 hour on call services*
- ⇒ *Minor Procedures/Surgeries*
- ⇒ *On-site Laboratory*

Accepting new patients, self-pay, and most insurances including Medicare. Call today!

For your convenience we are on staff at:

*Amita Glen Oaks Hospital,
Amita Alexian Brothers Medical Ctr
Elmhurst Memorial Hospital,
Central DuPage Hospital.*

OUR ROLE.....

.....

What to expect from your health care team.

- ⇒ *Personalized care because your Physician and office team know you and your health history.*
- ⇒ *Prompt response to your questions and concerns*
- ⇒ *Safe environment to talk about confidential personal concerns.*
- ⇒ *Explanation of services offered within our practice including blood work, how to obtain care after our office is closed, instructions prior to going to the emergency room, other testing, coordination of care for referrals with Specialists and more.*
